August 15, 2014

Dear Engineering College Supporter:

It’s that time of year again! The Nineteenth Annual Engineering and Technology Golf Scramble is soon approaching. This year’s tournament on September 29, 2014, is being held once again at one of the premier courses in Nebraska, Firethorn Golf Club. Registration is at 12:00 noon followed by a shot-gun start at 1:00 p.m. (Lunch is not provided). Come early and enjoy hitting range balls and socializing with old friends, faculty and current students.

This event is hosted by the Friends of the University of Nebraska – College of Engineering (FUN-CET). Our organization supports the Engineering College, its faculty, students and staff in enhancing the mission of the College. Proceeds from this event go towards engineering scholarships and events like Senior Send Off, Discover Engineering Day, E-Week, Women Interested in Engineering Day and other student programs.

Attached please find your golf registration form. We welcome anyone who has an interest in playing a round of golf to benefit the College of Engineering so grab your best team and sign up for a great experience. Please consider allowing a student from the college to play on your team. This is a great opportunity to interact with some wonderful students and possibly find a future employee!

The sponsor format will be the same as last year. The corporate sponsor entry fee is $500 and includes; golf, cart, dinner and prizes for a four-person team and recognition sign at a Tee.

Thank you for your continued support and we look forward to your participation. Feel free to contact me if you have any questions.

Sincerely,

Gretchen Dolson, P.E.
FUN-CET Golf Tournament Chair

Mulligans (Can also be purchased day of outing) $5 Each $

Total Due $

Please write “STUDENT” on the Team member name line if you would like to sponsor a College of Engineering student to play on your team. Students are selected from a waiting list. Please make note if you have a preference for a specific engineering major. We will do our best to accommodate your request. We typically have more students who want to play and meet Alumni than available spots so accepting a student on your team is appreciated.

Please return this form with your payment by **Friday, September 19, 2014** to:
Engineering Golf Scramble, Attn: Gretchen Dolson, HDR Engineering, 301 S. 13th Street, Suite 601, Lincoln, NE 68508.
