

Introduction to Transportation Planning

Fall 2017

Community and Regional Planning Program

CRPL 495, CRPL 895

Tuesdays and Thursdays 11am – 12:15pm

UNIVERSITY OF
Nebraska
Lincoln

This course explores the connection between transportation planning, land use, and urban form. Students will learn the history and policies that have shaped current transportation systems and the planning tools available to influence this process. We will also address planning for multiple modes of transportation (car, bus, bike, walk) and the implications of transportation planning for health, equity, and sustainability.

Topics include:

- Land Use and Transportation
- Walking and Bicycling
- Public Transportation
- Complete Streets
- Vision Zero
- Social Justice
- Safety
- Health
- Resilience
- Sustainability
