E-Week Texas Hold’em Tournament
Rules

The event is limited to the first 64 entrants. **People who RSVP before the tournament get extra bonus chips.**

There will be 2 games:

The first game will be 90 minutes long or until there is one winner on each table. The blinds will be raised every 15 minutes until the end of the game. The winner of each table will play in the second game.

The second game will be 60 minutes long and the person with the highest chip count or the final one remaining is the winner. The blinds will be raised every 15 until the end of the game.

Prizes will be awarded to the winners of the first game and the top 3 winners will receive additional prizes.

Each Table will have an assigned dealer.
