The Architectural Engineering program at UNL has developed an instructional culture that combines significant industry interaction at almost every level to develop students who regularly compete on national stages and are virtually 100% employed for both intern and full-time positions.

NATIONAL & INTERNATIONAL AWARD WINNING
- NCEES Engineering Award for Connecting Professional Practice and Education
- ASHRAE Student Design Competition, multiple top placements
- AEI Student Design Competition, multiple top placements
- Howard Brandston Student Lighting Design Education Grant, year after year

STUDENT INVOLVEMENT
- AESLAC – AE Student Leadership Advisory Committee
- AE Mentoring Program – Freshmen assigned junior or senior AE major and an industry professional

SCHOLARSHIPS
More than 100 AE students on scholarships totaling over $1 million

DEGREE PROGRAMS

- Bachelor of Science (BSAE)
- ABET Accredited Master of AE (MAE)
- Master of Science (MSAE)
- Master of Engineering with a concentration in AE (MENG)
- Ph.D. in AE

ARCHITECTURAL ENGINEER FOCUS

- structural design of buildings
- design and analysis of heating, ventilation and air conditioning systems
- acoustic and lighting design & analysis
- energy conservation
- design of building electrical systems

ACCREDITED MASTER’S PROGRAM

- 5-year ABET accredited BS/Master of Architectural Engineering (MAE)
- MAEs form into multidisciplinary design teams to consider a real world project
- A full set of seven design professionals mentor through the entire fifth year
- Greater than a 2:1 mentor to student ratio

ENTRY-LEVEL AVERAGE ANNUAL PAY IS $60,000 (PAYSCALE.COM)

DURHAM SCHOOL CAREER FAIR

- Employers seeking applicants from Durham School programs—very high demand
- Architectural Engineering majors sought for internships and full time employment
- Master’s degree graduates are virtually 100% employed prior to graduation
- Many graduates work for a company with which they had previously interned
