

# Mid-America Transportation Center 2019 Summer Internship Program

MID-AMERICA  
TRANSPORTATION CENTER

Monday, May 20 - Friday, August 9, 2019

## Program Description:

The MATC Internship Program partners with private companies, local government, and academia to provide undergraduate students with paid summer internship opportunities in the field of engineering. During this 12-week program, students gain hands-on experience in their area of interest under the mentorship of a professional from organizations such as the Nebraska Department of Transportation, Iteris, Inc., Olsson, City of Lincoln Public Works and Utilities Department, City of Omaha, and Felsburg Holt & Ullevig. Students work 40 hrs/wk while experiencing the day-to-day tasks and responsibilities of their desired career. The program culminates in a written paper and presentation detailing the student's internship experience.

## Preferred Applicants:

- Junior or Senior standing (~50 credit hours as of May 2018)
- 3.0 GPA or higher strongly recommended
- Currently enrolled in a University of Nebraska or MATC affiliated institution
