

Project Engineer Intern (part-time)

POSITION INFORMATION

Position Title

Project Engineer Intern (part-time)

Employer

Big-D Construction

Position Type

Internship/Co-op, Part-Time Off-Campus

Description: This job posting is for those who are interested in an internship with Big-D Construction.

This position is an entry level role which is part of our college internship program and is limited to only those attending a college, pursuing a Construction Management, Civil Engineering, or similar degree. Junior and Senior level individuals will be considered first.

The Field or Project Engineer Intern will assist in obtaining, evaluating, and coordinating all information needed to construct the project in accordance with the contract documents and to assure that the work meets all safety standards, is within schedule requirements, and is constructed to the highest level of quality possible.

They may also assist project management to write and track RFI's or review submittals, and assist the superintendent with layout and embed placement or punch list management. The work may vary depending on the phase in which the project the intern has been assigned to is in.

Qualifications:

- Pursuing a 4-year college degree within Construction Management or related field. Must have a minimum GPA of 3.0
-
- Formal engineering, architectural training, or equivalent construction experience is highly desirable
-
- Must have good interpersonal and teamwork skills and a desire to learn
-
- Ability to communicate well both verbally and in writing
-
- Proficient with computer applications as required to perform responsibilities
-
- A basic understanding scheduling programs preferred

The position is based in OMAHA, NE and is working on a high end lodges for our "Signature" group. Person will mainly help with Punch List items. We are willing to work around your school schedule.

We seek honest, smart, hardworking, lifetime-learners who are undeniably good at what they do. We expect listening, teamwork, and collaboration. In return we promise respect, rewards and an environment that will support world-class work on important projects. Our people often say that they are doing the very best work of their careers at Big-D Construction. If you are interested in an internship to help grow your construction career at Big-D, apply today!
