

Turner & Townsend Graduate Opportunities

About Turner & Townsend - <http://www.turnerandtowntsend.com/>

T&T are a multinational, multi-disciplinary construction and engineering consultancy specializing in helping our clients deliver the outcomes that matter to them and offering continual improvements along the way; with services covering the full spectrum of consultancy, project delivery and post-project operations.

Who are we looking for?

With a rapidly growing US Central Region, T&T are looking for locally based construction, civil, mechanical & electrical engineering graduates who are seeking to kick start their careers with an established and enterprising industry leading consultancy. You will be working as part of our integrated team alongside one of the largest and most progressive technology clients in the world. You must be ambitious, dedicated and innovative; not afraid to go against the norm and always striving to improve efficiencies and add value.

Roles Available

Project Controls

Project Managers

Schedulers

Cost / Contract Managers

Locations

Central USA, primarily Nebraska, Oklahoma and Texas. However, with offices globally and importantly throughout the US, future opportunities and challenges are always available. T&T's strengths are in their people and they embrace and recognize the value of diverse teams made up of skills gained from around the world.
