CALL FOR INDUSTRY PRESENTATION AND APPLICATION PAPERS

May 14-17, 2017, Lincoln, Nebraska
http://www.eit-conference.org/eit2017

Sponsored by IEEE Region 4, in cooperation with University of Nebraska-Lincoln, University of Nebraska Medical Center, IEEE ComSec and P&E Societies and IEEE Nebraska Section

Organizers of eit2017 would like to invite submission of quality industry papers or presentations describing ideas or implementations in all areas of information technology and engineering solutions relevant to industrial applications. We encourage submissions on topics of interest for practicing and professional engineers. The submission can be in the form of a technical paper or a presentation, describing topics of interest for engineers in industry and health sciences.

The primary emphasis on submissions includes all topics related to the following areas:

- Advances in Modeling and Simulation in Health Sciences – Opportunities for collaboration
- Emerging issues in communication systems
- Signal processing and bioinformatics
- New and innovative methods and technologies in power and energy systems
- Computer and software engineering
- Engineering and computer science education and continuing workforce development

Please submit a 300 word summary of your industrial application paper or presentation to http://www.eit-conference.org/eit2017

NOTE: THE INDUSTRIAL PAPERS WILL BE PUBLISHED IN THE CONFERENCE PROCEEDINGS BUT NOT IN IEEE XPLORRE UNLESS THEY ARE SUBMITTED AS A REGULAR PAPER.

PLEASE IDENTIFY YOUR PAPER/PRESENTATION AS INDUSTRIAL DURING THE SUBMISSION
