

Student Readiness for Possible Online Instruction Survey

We are collecting this information to help us prepare to help you succeed as a student if the university must switch to online instruction for an extended period of time. We are asking for your name and email so that we can follow up with you if needed. Your responses will be kept completely confidential.

At this point, we are still in the planning stages so that we can be prepared should the situation change. This could be a big change, and everyone in the College of Engineering will work together to navigate it and make the transition as smooth as possible. Flexibility, patience, understanding and communication will be important skills for all of us as we work through this, and we know that we all are up to the challenge. Take care of yourselves both physically and emotionally. Take care of each other.

1. Name [text box]
2. Email [text box]
3. Department [drop down list, if used with multiple departments]
4. Academic level
 - a. Undergraduate
 - b. Graduate
5. Which campus are you taking classes on this semester?
 - a. Lincoln
 - b. Omaha
