

Teach from Home Readiness Survey

The purpose of this survey is to help with preparations for the possibility of moving teaching online in response to the spread of COVID-19 (the novel coronavirus). It should only take a few minutes and your responses are critical in helping the College of Engineering and its various support units prepare during this critical time.

1. Name [text box]
2. Email [text box]
3. Department [drop down list, if used with multiple departments]
4. At home do you have sufficient computer and internet resources to complete your normal and necessary work tasks, including email, work calendar, Firefly, word processing (Microsoft Word), presentation software (PowerPoint), spreadsheet software (Excel), etc.?
 - a. Yes
