On-line Option Courses
Offered Fall 2020

MATL 492/892     Intro to Materials for Nuclear Engineering
MECH 321         Engineering Statistics and Data Analysis
MECH 325-002     Mechanics of Elastic Bodies
MECH 342-001     Kinematics and Dynamics of Machinery
MECH 342-002     Kinematics and Dynamics of Machinery
MECH 350         Intro to Dynamics and Control of Engineering Systems
MECH 373         Engineering Dynamics
MECH 420/820     Heat Transfer
MECH 446         Mechanical Engineering Design I
MECH 447         Mechanical Engineering Design II
MECH 480/880     Numerical Methods in Engineering
MECH 492/892     Microscale Transport Phenomena
