On-line Option Courses
Offered Spring 2021

MATL 473/873  Corrosion
MATL 492/892  Soft Materials
MECH 321     Engineering Statistics and Data Analysis
MECH 325-150 Mechanics of Elastic Bodies
MECH 342-001 Kinematics and Dynamics of Machinery
MECH 350     Intro to Dynamics and Control of Engineering Systems
MECH 370     Manufacturing Methods and Processes
MECH 373     Engineering Dynamics
MECH 416/816 Engineering Acoustics
MECH 437/837 Biomedical Device Design
MECH 446     Mechanical Engineering Design I
MECH 447     Mechanical Engineering Design II
MECH 480/880 Numerical Methods in Engineering
MECH 492/892 Microscale Transport Phenomena
