

COLLEGE OF ENGINEERING

2017 - 2018

BIG 10 BIOMEDICAL ENGINEERING SEMINAR SERIES

“Point-of-Care Microfluidic Systems for Blood Analysis”

by Ian Papautsky, Ph.D.

Richard and Loan Hill Professor of Bioengineering

Co-Director, NSF Center for Advanced Design &
Manufacturing of Integrated Microfluidics

Department of Bioengineering

University of Illinois at Chicago

12:30 - 1:30 pm

Friday, January 19, 2018

Room 237 SEC

City Campus

Join the seminar with Zoom:
