

PROCESS TO REGISTER FOR THE FE EXAM

Dear AE students,

To apply for the MAE program, **you must take the FE exam during your senior year** (<https://ncees.org/engineering/fe/>).

Specifically, register for and take the **FE Other Disciplines exam** (<https://ncees.org/wp-content/uploads/FE-Other-Disciplines-CBT-specs.pdf>).

As part of ABET accreditation and for continuous improvement, we receive anonymized analysis on the topics covered in the exam. For us to receive your data, **NCEES has instructed our program's students to enter the following information exactly as stated below:**

1. **Indicate that you are a GRADUATE student** even though you are not yet in the MAE year (NCEES collects and provides data only from ABET accredited programs; our MAE is accredited; our B.S. AE is not).
2. **Indicate that you will graduate with your MAE within 9 months of taking the exam** even though you will not (the NCEES reporting window is within 12 months of graduation).

This document provides information on how to create an account and register for the exam.

If you have any questions, please contact Dr. Moe Alahmad at: malahmad2@unl.edu.

Attestation

By clicking "I agree" on this page, I am confirming that:

1. I am the individual registering to take an NCEES examination;
2. I agree to conduct transactions with NCEES by electronic means, including but not limited to the exam registration process;
3. The information I have provided for this exam registration is truthful and accurate;
4. I have read the rules and policies set forth in the *NCEES Examinee Guide*;
5. I agree to comply with, and to be bound by, all examinee rules and policies set forth in the *NCEES Examinee Guide* and the requirements of the licensing board where I intend to pursue licensure;
6. In the event of any disputes relating to my registration to take an NCEES examination, the administration or scoring of an NCEES examination, or the release of my results on an NCEES examination, I agree to the remedies and dispute-resolution procedures set forth in the *NCEES Examinee Guide*; and
7. Passing this exam does not ensure that I will be certified as an engineer intern/surveyor intern or that I will be licensed as an engineer/surveyor in any jurisdiction. To obtain certification or licensure, I must file an application with an engineering/surveying licensing board and meet that board's requirements.

Special Accommodations

Would you like to request ADA, Military, or Religious special accommodations for your exam administration?

I do not need any accommodations

Select special accommodations if needed, or select "I do not need any accommodations"

ADA

NCEES provides reasonable and appropriate accommodations for individuals with documented disabilities within the meaning of the Americans with Disabilities Act, as amended (ADA). If you believe that you have a disability that prevents you from taking an exam under standard conditions, you may request accommodations.

Request ADA Accommodation

Military

If you are currently serving as an active duty member of the U.S. Armed Forces, you can request to take an exam in a state or territory different from the one in which you are applying for licensure.

Request Military Accommodation

Religious

Professional examinees may request to take the exam on an alternate date due to sabbath observance. You will be required to submit supporting documentation from a religious official such as a priest, rabbi, or cleric.
