# UNL Canvas Log-in Links for Students, Staff, and Faculty

To access UNL Canvas log-in links, students, staff, and faculty should begin by navigating to **my.unl.edu** and scrolling down to locate the Canvas tile:

Here, users will see **three options** for log-in links:

- The **UNL Log-in** button is for UNL faculty, staff, and students.

- The **TrueYou Canvas Log-in** button is for anyone with valid TrueYou credentials (log in with NUID@nebraska.edu – e.g., 12345678@nebraska.edu - and TrueYou password), including students from other campuses taking classes on UNL Canvas (e.g., UNO students taking classes with the UNL College of Engineering).

- Finally, the **IDEA Canvas Log-in Links** button is for students from institutions such as Kansas State University, North Dakota State University, and the University of Missouri System taking UNL classes through the Innovative Digital Education Alliance.
